Delivery Policy

Ordered product, or part of it, or a link to download it, must be delivered by the Seller to the corresponding section in the User's personal account at www.tradingcase.com website no later than following Monday after purchase, if other terms were not discussed in advance.

In case the paid product cannot be delivered, the Seller shall notify the Buyer via e-mail or by phone. In this case, further instructions and relations are discussed between the Seller and the Buyer individually.

The product is considered to be delivered to the Buyer from the moment it is displayed in the corresponding section in the User's personal account at website www.tradingcase.com.

The Seller is having a right not to transfer unpaid products to the Buyer.

The product is considered to be confirmed by the Buyer from the moment it is displayed in the corresponding section in the User's personal account at website www.tradingcase.com.
