Disclaimer

By using this website and/or its services and products, you agree that TradingCase will not be responsible for the accuracy of any information displayed on this site. However, the information on this site is provided in good faith and is believed by TradingCase to be accurate.

Access to the site, and use of its contents, is at your sole discretion and risk. Whilst the company has taken reasonable measures to ensure that the contents are accurate and up-to-date, it takes no responsibility for any actions done by any person or organization based, direct or otherwise, on the website information, or received via the site, whether provided by the company or a third party. The site and the content are provided on an "AS-IS" basis, and the company makes no warranties about the site or any of the contents, including without limitation (i) the timeliness, accuracy, completeness, reliability, continued availability or fitness for any particular purpose of the site and the content, (ii) that the use of the site will be error-free, secure, and uninterrupted, (iii) that the company will correct any defects or that the site will be free from viruses or other harmful codes, and (iv) that the content or the site do not encroach on any third-party rights. As far as possible by applicable laws, the company excludes any such warranties that may be implied otherwise and excludes all liability in respect of the site, the contents, the products or any use thereof.

Furthermore, you agree not to hold TradingCase liable for decisions you make based on the information you obtain on this website or websites we link to. It is recommended that you make your decisions after you have collected several opinions from credible sources and have verified ALL facts from other independent sources. In addition, users of the site are advised to contact us and/or to take appropriate professional advice before committing themselves to any act or taking any decision regarding services requested.

You agree to indemnify and hold the company (including its officers, directors, beneficiaries, traders, partners, employees and other representatives) harmless from all liabilities, claims and expenses (including reasonable attorneys' fees and expenses) resulting from your (i) breach of this user agreement, (ii) misuse of the site or any of the content, or (iii) infringement of any of the company's intellectual-property rights.

The content of the website can be change without any prior notification and is presented to render the Users assistance in making independent decisions only. TradingCase takes all the appropriate measures to provide accurate information displayed at the website, however does not guarantee accuracy of this information and is not responsible for any losses resulted, directly or otherwise, from the website content, absence of access to the website, delays in sending and receiving the information via the website.

TradingCase (including its officers, directors, beneficiaries, traders, partners, employees and other representatives) or its web hosting providers shall in no event be liable for any damages and/or losses resulting from malfunction of the website service or the inability to use our website.

TradingCase is not responsible for any type of error, and in case if there is a certain error, the Company can amend it at any time without the prior notification of the User.

This site and the information included herein is for general information only and does not constitute an offer to sell or solicitation of an offer to purchase any financial instrument, security, commodity futures contract or commodity-related product, or any advisory or trading management service described herein.

The Company is not responsible for disclosure of information which is presented by the user and displayed in public access on the pages of the site.

Any opinions, news, research, analyses, prices, or other information contained on this website is provided as general market commentary, and does not constitute advice. TradingCase will not accept liability for any loss or damage, including without limitation to, any loss of profit, which may arise directly or indirectly from use of or reliance on such information.
